

RISK MANAGEMENT SYSTEM

1. No client should have outstanding sauda's in excess of 5 times of margin available at the day end.
2. Client should never have a debit balance and in such a case delivery should be stopped & sold in market.
3. While registering new client, check from NSE/BSE website whether the client is debarred entity.
4. Collect the delivery & funds from the clients from their DP & Bank A/c only.
5. Running A/c of the client is margin A/c. Keep daily check on the same.
